Give me the magic  
Give me the passion  
Show me the lovin  
Show me the game  
Let's get excited  
Don't ever hide it  
Star of the moment  
Whisper his name

Henrik Larsson  
Henrik Larsson  
Henrik Larsson  
Larsson, Larsson, Larsson, Henrik Larsson

Man of hope  
Field of gold  
Let the history unfold  
Victory, by the cry  
Raise your hands up in the sky

Now give me the magic  
Give me the passion  
Show me the lovin'  
Show me the game  
Let's get excited  
Don't ever hide it  
Star of the moment  
Whisper his name

Henrik Larsson  
Star of the moment show up again  
Henrik Larsson  
Flashing the lightning, striking again  
Henrik Larsson

Larsson, Larsson, Larsson, Henrik Larsson  
Larsson, Larsson, Larsson, Henrik Larsson

Man of hope  
Field of gold  
Let the history unfold

Victory, by the cry  
Raise your hands up in the sky

Now give me the magic  
Give me the passion  
Show me the lovin'  
Show me the game  
Let's get excited  
Don't ever hide it  
Star of the moment  
Whisper his name

Henrik Larsson (Henrik Larsson)  
Star of the moment show up again  
Henrik Larsson  
Flashing the lightening, striking again

Now give me the magic  
Give me the passion  
Show me the lovin'  
Show me the game  
Let's get excited  
Don't ever hide it  
Star of the moment  
Whisper his name
