Ive been in this town so long that back in the city
Ive been taken for lost and gone
And unknown for a long long time

Fell in love years ago
With an innocent girl
From the spanish and indian home
Home of the heroes and villains

Once at night catillian squared the fight
And she was right in the rain of the bullets that
eventually
brought her down
But shes still dancing in the night
Unafraid of what a dudell do in a town full of heroes
and villains

Heroes and villains
Just see what youve done

Heroes and villains
Just see what youve done

Stand or fall I know there
Shall be peace in the valley
And its all an affair
Of my life with the heroes and villains

My children were raised
You know they suddenly rise
They started slow long ago
Head to toe healthy weathy and wise

Ive been in this town so long
So long to the city
Im fit with the stuff
To ride in the rough
And sunny down snuff Im alright
By the heroes and

Heroes and villains

Just see what youve done

Heroes and villains
Just see what youve done
