Be young, be foolish but be happy  
Be young, be foolish but be happy

Don't let the rain get you down  
It's a waste of time, a waste of time  
Have your fun, live everyday  
In the bright sunshine, the bright sunshine

Be young, be foolish but be happy  
Be young, be foolish but be happy

Same old story all over the world  
Girl meets boy and boy meets girl

So be young, be foolish, be happy  
Be young, be foolish but be happy

Don't let love slip away, slip away  
Live your life for today, for today  
Life is too short to worry  
About unimportant things, unimportant things

Reach for the sky, touch your star  
And then you find your dream, find your dream  
'Cause dreamin' alone, it's a shame indeed  
But if you got love that's all you need

So be young, be foolish, girl be happy  
Baby be young, foolish, let's be happy  
Be young, be foolish, girl be happy  
Baby be young, foolish, let's be happy  
Baby be young, foolish and happy  
Be young, be foolish, be happy
