What kind of fool... what kind of fool...

What kind of fool do you think I am...  
You think ya can go seein' him  
Darlin', after we had made our plans  
You said I'd be your number one man

What kind of fool...( do you think I am...)  
Do you think I am now...(do you think I am...)

What kind of fool did you think I'd be  
You said you really,really loved me  
Darlin', you run around all over town  
You build me up then you let me down

What kind of fool... ( do you think I am...)  
What do you think I am now...( do you think I am...)

I won't be your second choice  
I've got to be your number one  
Or I ain't gonna love you at all

Musical Interlude...

Darlin', you run around all over town  
You build me up then you let me down

What kind of fool... (do you think I am...)  
Do you think I am baby...( do you think I am...)  
Darling you can't think that...( do you think I am...)  
Darling I'm no fool now...( do you think I am...)  
What kind of foo-oo-ool...( do you think I am...)
