It's been a long week
And now I'm drinking
It's just to say that,
Nothing has changed
I met somebody
Tried hard to love him
But I guess it turned out the same
One too many nights
Spent sleeping with someone I don't know
I keep saying it's all right
Gotta be better than being alone
After so many lovers
Why I am so far from love?
How many hearts'll be broken
Before I finally fall in love?
Another late night
Candles burning
Another love, tossed into the flames
I'm gonna sit and watch
The fire dying
Pray to God
I don't end up that way
One too many nights
Spent fumbling someone's heart to the floor
Tell me it'll be all right
'Cuz I prob'ly can't take too much more
After so many lovers
Why am I so far from love?
How many hearts'll be broken
Before I finally fall in love?
Doesn't matter
How much you love me
I still can't learn
How not to leave
After so many lovers
Why am I so far from love?
How many hearts'll be broken
Before I finally fall in love?
After so many lovers
Why am I so far from love?
How many hearts'll be broken

Before I finally fall in love?
