Three fifteen, new morning  
And I've only said goodnight  
You called my phone  
No one's home  
I think you thought that I was gone  
But I'm all right  
I'm okay  
Was just one, of those days  
Baby I know  
Sometimes it's hard to tell  
I think you know by now  
I'm just a little confused  
I know I may get down  
I think you know by now  
I couldn't ever leave you  
Walking round, upside down  
Turning wheels inside my head  
Lost control  
Found my soul  
I guess it's not as bad as I said  
Say goodbye  
Say hello  
Some thing's come, some thing's go  
Baby I know  
Sometimes days I'm not that well  
I think you know by now  
I'm just a little abused  
I know it's hard to tell  
I think you know by now  
I couldn't ever leave you  
Sometimes it's hard to tell  
I think you know by now  
I'm just a little confused  
I know I may get down  
I think you know by now  
I couldn't ever leave you  
Some days I'm not that well  
I think you know by now  
I'm just a little abused  
I know it's hard to tell  
I think you know by now

I couldn't ever leave you  
I couldn't ever leave youâ€¦
