Hey Love, I don't understand
Everything happened so fast
And now you're gone
I woke up alone, and you were gone
Last night, you were talking kinda strange
You asked me
Where I'd go
If we could both run away.
I didn't know
But you said there's only one place that you'd go
You said the sun sets in Portland
So that's where I'm going
I guess that I'm hoping our story didn't end
And I'll write you a letter
Just as soon as I get there
And it'll say:
Hey Lover, I'm waiting for you hereâ€¦
Hey Love, you whispered in your sleep
I lay there thinking you were talking to me
Oh where'd you go?
I started to like not being alone
Where'd you go?
Oh I know
You don't owe me a thing
But I guess, I'd hoped
You wanted to need me
But you don't.
And I wish I could let you go
But I won't.
I heard the sun sets in Portland
So that's where I'm going
I guess that I'm hoping our story didn't end
And I'll write you a letter
Just as soon as we get there
And it'll say:
Hey Lover, I'm waiting for you hereâ€¦
Gotta leave before night falls
'Cuz if it falls, it's falling on meâ€¦
I gotta leave before night falls
'Cuz if it falls, it's falling on meâ€¦
I heard the sun sets in Portland

So that's where I'm going
I guess that I'm hoping our story didn't end
And I'll write you a letter
Just as soon as I get there
And it'll say:
Hey, Lover I'm waiting for you here!
I guess that I'm hoping our story didn't end
And I'll write you a letter
Just as soon as I get there
And it'll say:
Hey Lover, I'm waiting for you!
