[Verse 1]

Lost in my delusions
Burdened by mistakes
Haunted by the fear of no escape.

When you look at me
There's nothing more to say
Its like it never even happened.

[Chorus]

I'm constantly amazed how
You saved a wretch like me.
I'm constantly amazed how
You gave your life for me

[Verse 2]

Crying out for answers?
There's a place for you to hide.
Safe from pain that traps you deep inside.

Vision is now clearing.
Restoration now complete
Knowing you're forgiven everything

When he looks at you,
There's nothing more to say
Its like it never even happened.

[Bridge]

There is nothing that this world can do
To take me away.
I live my life in imperfection, hurt by my mistakes.
This world cannot convince me that its all left up to
fate.
I'm amazed!
I'm amazed!
I'm amazed!
