[Verse 1]

I'm not waiting for healing.
I'm not waiting for spiritual revelation.
I'm not waiting for a miracle.
I choose to love You now, and always.

I'm not waiting for a big sign
I'd go crazy, I'd lose my mind.
I'm enamored by Your mercy,
By the passion that You are, by the love that I find

[Chorus]

I am not waiting, I will always be found running
I am not waiting, I will run, run, run, right to You

[Verse 2]

I'm not waiting for an invitation.
I'm not waiting for an open door.
I'm not waiting for a leader,
Knowing Your love, I can't ignore it.

I'm not waiting for a green light.
I'm not waiting for perfect timing.
I'm not waiting for an answer,
I'll be found running as fast as I can.

[Bridge]

I'm not waiting for comfort.
I'm not waiting for compromise.
I am found within Your calling,
Covered by Your grace,
Lost within Your eyes
