Love of Mine

-----

your skirt's so short that your thighs are showin  
you move so fine that gets me going  
that mole on your thumb makes me lose my mind  
you're everything baby  
you're so divine

up there

you're eyes so bright like the moon they're glowin  
your hands so soft that I keep moanin  
your hair so blonde your eyes are preyin  
there's no wonder why I'm sayin  
this love of mine  
she's so divine  
and I don't say that just too find a ?

here she comes

your skirt's so short that your thighs are showin  
you move so fine it gets me going  
your ? on your ? makes me lose my mind  
you're everything baby  
you're so divine

you're eyes so bright like the moon they're glowin  
your hands so soft that I keep moanin  
i keep moanin  
your hair so blonde your eyes are preyin  
there's no wonder why I'm sayin  
this love of mine  
she's so divine  
and I don't say that just too find a ?
