Oh the blues ain't nothin' but a woman wanna see her
man (2x)
Cause she wants some lovin', you women will
understand

Oh the blues ain't nothin' but a low down heart disease
(2x)
Just lovin' your man, he's so hard to please

Oh the blues ain't nothin' but a woman lovin' a married
man (2x)
Can't see him when she wants to, got to see him when
she can

Oh the blues ain't nothin' but a good woman feelin' bad
(2x)
Always downhearted, blue, disgusted and sad

Oh the blues ain't nothin' but a feelin' that will get you
down (2x)
Fallin' out with your man, you feel like leaving town
