You don't want to do too much  
Staring at the evening sun  
Maybe you cannot stand up  
But you have become one

I just want to see her smile  
Maybe she will never hurt  
And all that I have yearned to touch  
Well, I have made worse

Is she all you need?  
Ah, you fools first agreed

I don't want to spoil your game  
Every day is bound to change  
Making every move seem wise  
In her dark eyes

No, I don't want to be the clown  
Making like I've seen too much  
When everything from here is down  
I am the head rush

Is she all you need?  
Would you steal from me?  
Is she all you see?

And the sky, the sky, the sky  
the sky, the sky, the sky is mine

Now I don't want to lose at love  
(I don't want to lose at love )  
Maybe you would take the chance  
(Maybe you would take the chance)  
Struggling in another's world  
I'm just losing at once

Is she all you need?  
(Is she all you need?)  
She's been too far, too far from me  
And she's all, all, all, all that you see

Yeah, the sky, the sky was mine  
Yeah, the sky, the sky was mine  
Yeah, the sky, the sky was mine  
Yeah, the sky, the sky was mine

I don't want to lose at love  
(I don't want to lose at love)  
I don't want to lose at love  
(I don't want to lose at love)  
I don't want to lose at love  
(I don't want to lose at love)  
I don't want to lose at love  
(I don't want to lose at love)

Now, the sky, the sky was mine  
(I don't want to lose at love)  
I don't want to lose at love  
(I don't want to lose at love)

Yeah, the sky was mine  
(I don't want to lose at love)  
I don't want to lose at love  
(I don't want to lose at love)  
The sky, the sky was mine
