Where everybody was  
Where everybody go?  
Well, I'm so sorry boy  
I don't really know  
Oh, how did you do today?  
Well, I'm telling you this much  
I might seem like a paying girl  
But I've never had enough

Never known  
No - I'm never really known  
I ain't never shown  
To come alive  
And call my own  
I'll never be

Where the sweetness settle me  
I ain't seen  
Where somebody waits for me

Waste half an evening  
Wasted half my time  
Just to tell how I'm living this  
And keeping us in line  
Oh, how did you do today?  
Well, it never seems to speak  
Yes, I'm sure that I'm keeping this  
But it's keeping me too weak

Never known  
No - I'm never really known  
I ain't never shown

To come alive  
And call my own  
I'll never be  
Where the sweetness settle me  
I ain't seen  
Where somebody waits for me

Old bones steal weakness  
Old bones stay sane

All days come on speak to us  
You can be what you say  
You can be what you say

Air - everybody sings  
Everybody dreams  
Well, you know how it went for me  
But it never seemed to mean  
Where everybody needs  
Where everybody hides  
Where the sweetness settles me  
Well you know if you're feeling this  
It let's everybody cry

Never known  
No - I'm never really known  
I ain't never shown  
To come alive  
And call my own  
I'll never be  
Where the sweetness settle me  
I ain't seen  
Where somebody waits for me
