[Farrah]
Hola papi...

[Method Man]
What? What? Come on, come on...
What the deal now?
What's the matter?
Hey yo, Farrah
Baby, come on...

[Farrah]
I've got something for you
You want it?

[Method Man]
Yeah!

[Farrah]
Get at me...

[Method Man]
Show them what? Show that you...
You's a big girl now no more daddy's little girl
Ass like wow...
No more of a lady like a livin
You traded them big tails
For high heels and did nails, ha
Look at that pose, you's a cover girl and it shows
Look at them tough, how many chicks can fuck with
those?
So watch the pose
If I come with these clothes
If I take it too slow
I might lose out my soul sister

[Farrah]
Get at me, get at me
We could be a possibility
Maybe if we're meant to be, I'll be your everything
Holla if you wanna get at me, get at me
Get at me, get at me

We could be a possibility (possibility)
Maybe if we're meant to be, I'll be your everything
Holla if you wanna get at me, get at me

You are so persistent man, insistin'
That you and I get it what together, be for the ever
You think I'm the type that need some thug in my life
And it can't be wrong 'cuz it feels so right

Get at me, get at me
We could be a possibility (yeah, yeah)
Maybe if we're meant to be, I'll be your everything
Holla if you wanna get at me, get at me
Get at me, get at me
We could be a possibility (a possibility)
Maybe if we're meant to be, I'll be your everything
(yeah, yeah)
Holla if you wanna get at me, get at me

I can get you twisted so addicted and
I'm willing to game over you, can you handle me
And I could your Bonnie and you my Clyde
Let's ride at night, just get at me and you will see it
could be alright

Boy you got me feelin' so good
Wanna make sure that I'm understood
Day and night appear when you need
Let me be your fantasy (fantasy)
Boy you got me feelin' so good
Wanna make sure that I'm understood
Day and night appear when you need
G. E. T. A. T. M. E. (get at me)

Get at me, get at me (oh, oh, oh)
We could be a possibility (a possibility)
Maybe if we're meant to be, I'll be your everything
(everything)
Holla if you wanna get at me, get at me
Get at me, get at me (we)
We could be a possibility
Maybe if we're meant to be, I'll be your everything
Holla if you wanna get at me, get at me

[Method Man]
I'm not as bad as job
I'm naughty but girl that ain't my nature
Johnny Cash all about this paper
You playin' with them big boys now, we rate it all
There's no place for what chap, seventeen? not allowed
Without parent and it's a parent that you belong

With a fool grown man, with a mind just as strong (for
real)
So here's your chance to advance
Get in your stance and we gon' set it off like true
romance
That's my word

[Farrah]
Get at me, get at me
We could be a possibility
Maybe if we're meant to be, I'll be your everything
Holla if you wanna get at me, get at me
Get at me, get at me
We could be a possibility (possibility)
Maybe if we're meant to be, I'll be your everything (I'll
be your everything)
Holla if you wanna get at me, get at me

Get at me, get at me (uh huh, uh huh)
We could be a possibility (uh huh, uh huh)

Holla if you wanna get at me, get at me
Get at me, get at me (uh huh, uh huh)
We could be a possibility
Possibility, I'll be your everything
Holla if you wanna get at me, get at me

Maybe if we were meant to be, I'll be you're everything
Holla if you wanna get at me
Get at me, get at me
A possibility
Maybe if we were meant to be, I'll be you're everything
Holla if you wanna get at me

Possibility
Holla if you wanna...
Get at me
