Our romance won't end on a sorrowful note
Though by tomorroow you're gone
The song has ended but as the song writer wrote
The melody lingers on
They may take you from me
I'll miss your fond caress
But though they take you from me
I'll still possess

The way you wear your hat
The way you sip your tea
The memory of all that
No no they can't take that away from me

The way your smile just beams
The way you sing off key
The way you haunt my dreams
No no they can't take that away from me

We may never never meet again
On the bumpy read to love
Still I'll always always keep the memory of

The way you hold your knife
The way we danced 'til three
The way you changed my life
No no they can't take that away from me
No they can't take that away from me
