"Away!"

You star in all my nightmares
You make my blood run cold
You tore my life to pieces
The selfish plan unfolds

Lying! What you say is untrue
You stabbed me in the back
Is it something that I lack

Stupid! You lured me with you cunt
I lock back in the past
Should've known it would not last

Away! Away! I gonna get away
I'm beginning ti understand
Away! Away! I'm blinded by a lay
It's better to use my hand
Away! Away! I gonna get away
No bitch ever touch me again
Away! Away! I'm blinded by a lay
Love's only true between man and man

Traitor! You were my confident
But your big-mouth did the trick
That's why I can't get no chick

Over! I made a big mistake
Now I'm on the right track
And there's no more turning back

Away! Away! I gonna get away

I'm beginning ti understand
Away! Away! I'm blinded by a lay
It's better to use my hand
Away! Away! I gonna get away
No bitch ever touch me again
Away! Away! I'm blinded by a lay
Love's only true between man and man

You star in all my nightmares
You make my blood run cold

You tore my life to pieces
The selfish plan unfolds

Lying! What you say is untrue
You stabbed me in the back
Is it something that I lack

Stupid! You lured me with you cunt
I lock back in the past
Should've known it would not last

Away! Away! I gonna get away
I'm beginning ti understand
Away! Away! I'm blinded by a lay
It's better to use my hand
Away! Away! I gonna get away
No bitch ever touch me again
Away! Away! I'm blinded by a lay
Love's only true between man and man
