

## Tankard "Feed The Lohocla"

Visit "[Feed The Lohocla](#)" on MotoLyrics.com

Was it destiny that one day  
It was born  
Drunk creature of the night  
who haunts us for our brew  
It was dark, midnight or so,  
when most had left for home  
Breath of life, Lohocla lives,  
the barley entity  
Now it is alive spawned from  
the loins of beer  
Throat parched and on a quest  
to quench his - die hard thirst  
All he asks oblige him  
in giving up your drink  
It's okay, don't shit your pants,  
he's tamer than you think

Refrain:

Where is he from? Why is he here?  
Nocturnal boozer on a pursuit of beer  
So set him free from sobriety-tonight!  
Inebriate! One of his favorite words  
Control his state of mind  
though he has no dime  
Out of cash and out of stash,

he's coming off his high  
Time to cruise the local joints  
to mooch liqud food

Solo: Axel, Andy

Wading through the bar  
and wasted off his ass  
Lohocla's drunk again yet  
still he begs for more

Refrain

One day you'll encounter him,  
you'd better share your beer  
You don't need to  
start a senseless fight  
Have yourself some F.U.N.

Solo: Axel

Macho man!

These homos have to strut their stuff

So they can show how cool they are  
But we know they're knucklehead  
Refrain  
Solo: Andy  
Mellow out!  
Just kick back, enjoy the show  
Spare us all, don't prove yourself  
Why ruin someone else's night?  
Refrain  
Repeat 1st verse  
Refrain 2 times
