Music: A.Ratzmann

Lyrics: M.Kipness, A.Bulgaropoulos, A.Geremia

Christmas time is here again  
Time to give your cash to them  
At the cross is where we'll meet  
Leaving presents at his feet  
Buy your gifts in harmony  
Feed the Christmas industry

Chorus:

Fuck Christmas! All the time  
Now I've got my yuletide pride!  
Fuck Christmas! All the time  
I've got Jesus on my side!

Fuck Christmas! Fuck Christmas!  
Fuck Christmas! All the time!

Jesus came and Jesus went  
Look at all the cash we spent  
Mother Mary you will see  
Never bought a Christmas tree  
Christmas is for me and me  
I give only to receive

Chorus

Christmas time is here again ...

Chorus

He was fuckin' born in August anyway ...
