My Fate has been sealed
With a Bottle Cap
Where am I going ?
I cannot wait !
Where is the Paty ?
Hope I am not too late
Let's have a good time
And drink Tonite

[Chorus]
Ice-olation
Where am i now ?
It's getting colder
Ice Crystals are growing in me
And fucking with my Mind
Ice-olation
I'm dying now - it's almost over
You put me into Freezer
Is this the way to go ?

Visit the Booze Store
You're not so sure, man
Hard Liquer of the other ?
You opt for the Barley
And put me into Fridge
Hey ! What's the matter ?
It's really cold here
My Loins expand beyond reach
It's over, you Asshole
And now it's time to die !

[Chorus]

My Fate has been sealed
With a Bottle Cap
Where am I going ?
I cannot wait !
Where is the Paty ?
Hope I am not too late
Let's have a good time
And drink Tonite

[Chorus]

I've got the Shivers
And near the end now
I bid you Drunkards Farewell
I love you, think of me
I spread my Wings and fly
Don't ever forget
That Shit can happen
Don't leave your Beer in a Freezer
This loss you will regret
If you don't use your mind.
