Hometown, the giant village, big time but little soul
Up! Up! Skyscraper city, business and finance rule

Yuppies make the day
Homebodys take the night

Thugs, drugs, sheer desperation, the streets are full or
stripe
Mass life, massive aggression, this place is modern
life

Hey! FFM! You are kinda crazy, living here has ots own
style
Hey! FFM! No time for relaxing, on the edge but never
dull

Old ways, still you can find them: weird chesse and
apple brew
Old folks, talking the old tongue, tradition coming
through

Sports black - and white
Eintracht - we unite

Pubs close, just like a curfew, we told you in a song

Hick town, but always trying to be a metropolis

Hey! FFM! You are kinda crazy, living here has ots own
style
Hey! FFM! No time for relaxing, on the edge but never
dull

Hometown, the giant village, big time but little soul
Up! Up! Skyscraper city, business and finance rule

Yuppies make the day
Homebodys take the night

Thugs, drugs, sheer desperation, the streets are full or
stripe
Mass life, massive aggression, this place is modern

life

Hey! FFM! You are kinda crazy, living here has ots own
style

Hey! FFM! No time for relaxing, on the edge but never
dull
