Nation by nation
Like measles on the map
Sprouting in all directions
From Mother Russia's lap
The dream of independence
Seeking identify
As the old orders crumble
But you must learn to see

Greatness! Raise the flag
Show your kids now proud it flies
This, my son, is God's own country
For its honour you must die

We are the chosen ones
This blood and soil is sacred
We above the rest

Nation over nation: myth of supremacy
People over people: chauvinist bigotry
Nation over nation: calls for hate, envy and war
Chaos and damnation: nation over nation

Power is the key
That's behind the rhetoric
Patriotic anesthetic
Blinded crowds fall for the trick

Parades and uniforms

Masking internal crisis
Afterming foreign threats

Nation over nation: myth of supremacy
People over people: chauvinist bigotry
Nation over nation: calls for hate, envy and war
Chaos and damnation: nation over nation

Ethnic manipulation
The curse of racial pride
Abuse by powermongers
Committing genocide

"Nation" is a scheme
giving power to elites
ideology concealing
exploitation and deceit

We are the chosen ones
This blood and soil is sacred
We above the rest

Nation over nation: myth of supremacy
People over people: chauvinist bigotry
Nation over nation: calls for hate, envy and war
Chaos and damnation: nation over nation
