Hey Dad, you always had your doubts  
But this time I am gonna make you proud

[Chorus]

This time, I swear  
I'll be a famous star  
Live up to my potential  
Success is not afar  
In future the leader  
Here in this great country  
Some say I even could be  
The pope of Germany

Loud, fast and heavy !  
My idols come to town  
And I am on the guest list !  
Loud, fast and heavy !  
Olaf, Gerre, Frank and Andy, you will rule tonight  
Later I'll meet you at back-stage  
Loud, fast and heavy !  
Party time ! To be here is a blast  
Hey, Tankard, nice meeting you at last

[Chorus]

Old, lame and stinky ! I can't believe this shit  
These guys are square and sobber !  
Old, lame and stinky !  
All with families, kids and houses, jobs and normal  
lives  
Don't wanna be like you clowns !  
Old, lame and stinky !  
Know what ? Fame is a stupid farce  
You can shine, even if you're no star

[Chorus 2]

This time, I swear  
I'll be a famous star  
Live up to my potential

Success is not afar  
Hot chicks and cars  
Much money beer and fun  
I know I'll never be like  
The Rockstars No. 1

Hey Dad, you always had your doubts  
But this time I am gonna make you proud

[Chorus 2]

Hey dad !
