Die in blood and pain tonight, never ends the metal-
fight

We see the heavy choppers we know they kill the
posers

Die ! kill you tonight ! scream and scream so horrible !

They drive you fuckin'insane, laughin' 'bout the rollin'
heads

You scream so hard in pain, you scream until you dead

Screaming Victims, Screaming Victims, Screaming
Victims,
Screaming Victims

They come to take your life tonight, killing is their only
game

Victims are so innocent, no more chance to flee from
them

Die ! kill you tonight ! scream and scream so horrible !

Their bloody lust to torture you, you fall down on your
knees

Expect no fuckin' mercy, death is reality

Screaming Victims, Screaming Victims, Screaming
Victims,
Screaming Victims

Die in blood and pain tonight, never ends the metal-
fight

We see the heavy choppers we know they kill the
posers

Die ! kill you tonight ! scream and scream so horrible !

They drive you fuckin'insane, laughin' 'bout the rollin'
heads

You scream so hard in pain, you scream until you dead

Screaming Victims, Screaming Victims, Screaming
Victims
Screaming Victims.....
