[Written by TANKARD  
(Gutjahr/Zissel/Thorwarth/Geremia)]

I, born into a circle  
I will lose not my way  
I give my best by trying  
I have a lot to say

Searching! I'm trying! The fear of failure  
Succeed before I die  
I feel the pressure on me  
I've lost my mind today

[Chorus]:  
Slipping from reality  
Living for the "Great Escape"  
Slipping from reality  
Looks like it may be too late

Lord, gonna call upon you  
I need your help today  
Why do you fail to answer?  
I'll find another way

Searching! I'm trying! Resignation  
I hold my bottle high  
I feel my self-worth dying  
With eyes closed and a sigh

[Chorus]

I, born into a circle  
I will lose not my way  
I give my best by trying  
I have a lot to say

Searching! I'm trying! The fear of failure  
Succeed before I die  
I feel the pressure on me  
I've lost my mind today

[Chorus - 2x]
