I swear you
Eternal love
Please hear me
You're the only one
When I kiss you
I'm in heaven. Babe
And my heart
Stands in burning flames

Since the first day I met you
It was all up with me
Your lips as red as roses
Your skin so soft and sweet
I saw you in that nightclub

Best dancer on the pale
Later we drank and partied
Had too much alcohol

Don't mind my gender
She said to me
I'll show you wonders
You won't believe!

We thrashed until the morning
And then you took me home
You set my heart on fire
Male body. female soul

My beauty of Thailand
I'll be your handsome toy
Let me be your goddess
Your Metal Ladyboy
Transgender of Thailand
You are my sweet Kathoey
I'll touch you, I'll please you
My Metal Ladybay

I swear you
Eternal love
Please hear me

You're the only one
When I kiss you
I'm in heaven. Babe
And my heart
Stands in burning flames

Rocking the town together
Our romance is for real
Loud music, beer and concerts
Your neck is made of steel
To my surprise you once were
A famous Superstar
Big idol in your country
A fearsome kickboxer

Don't mind my gender
She said to me
I'll show you wonders
You won't believe!

We thrashed until the morning
And then you took me home
You set my heart on fire
Male body female soul

My beauty of Thailand
I'll be your handsome toy
Let me be your goddess
Your Metal Ladyboy
Transgender of Thailand
You are my sweet Kathoey
I'll touch you, I'll please you
My Metal Ladyboy
