What a day, what a day, what a day, what a day  
Life's great when graveyard is your home  
What a day, what a day, what a day  
Undead rotting bones

When we come to town  
The people just keep their heads down  
Trying to escape  
Corpses all over the place

Maggots in my brain  
Believe me, I don't feel no pain  
Fingers are my tools  
Bloodthirst is pretty cool

Soon you'll see, you run out of time

What a day, what a day, what a day, what a day  
Life's great when graveyard is your home  
What a day, what a day, what a day  
Undead rotting bones

Neon nights are bright  
Nobody of us saw daylight  
Cannot lose our lites  
No limits in the minds

Killin' just for fun

Tomorrow it will be your turn  
Going straight to hell  
Agony, I can tell

Soon you'll see, you run out of time

What a day, what a day, what a day, what a day  
Life's great when graveyard is your home  
What a day, what a day, what a day  
Undead rotting bones

When we come to town  
The people just keep their heads down

Trying to escape  
Corpses all over the place

Maggots in my brain  
Believe me, I don't feel no pain  
Fingers are my tools  
Bloodthirst is pretty cool

Soon you'll see, you run out of time

What a day, what a day, what a day, what a day  
Life's great when graveyard is your home  
What a day, what a day, what a day  
Undead rotting bones
