The Yearning! For Conflict! I am a Cowboy from up
'nigh
I've got my Go Pills-I'm a Winner!
On the way up I'm gonna get high!
I'm speeding! Do I care?
Demitry orders us to fly
Amphetamines have made us Killers
Ooops! British Troops! Was that a Crime?

Bleeding and Suffering!
Descision met-Thy will is done
I don't recall much of the Mission
Carried it out-sure must've been fun
Bleeding and Suffering! Nowhere to run

[Chorus:]
Under Friendly Fire- Speeding with a Gun
Under Friendly Fire- Where's my go-pill?
Under Friendly Fire- To impress my Son
Under Friendly Fire- That's my final thrill!

I'm craving - I need some! The Dealer Doctor's on my
mind!
The Pentagon wills "Pre-Flight" Dinners
To stay awake, not follow behind
I'm speeding, Do I care?
Adrenaline dictates my crime
Canadians are not the the Winners
The Ground Troops dead-I'm doing fine

Bleeding and Suffering! What has my Country done to
me?
A blind Robot with lot's of Uppers
Gonna get wild and gonna kill thee
Bleeding and Suffering! Nowhere to run

[Chorus]

The Yearning! For Conflict! I am a Cowboy from up

'nigh
I've got my Go Pills-I'm a Winner!
On the way up I'm gonna get high!
I'm speeding! Do I care?
Demitry orders us to fly
Amphetamines have made us Killers

Ooops! British Troops! Was that a Crime?
Bleeding and Suffering!
Descision met-Thy will is done
I don't recall much of the Mission
Carried it out-sure must've been fun
Bleeding and Suffering! Nowhere to run

[Chorus]
