[Intro: Skinny Man]

Itchy residents on the lurk...from the dark parks of
the dargarts it's Mongo and Skunga Brightsparks
(MUD)

MUD Files...the awakening, huh

Itchy Town, Itchy Town (Itchy Town)

Itchy Town, Itchy Town, yeah

I'm on a ride wid' em (Yeah)

my peeps at my side (You know dat)

on a ride in Itchy Town, nah mean?

[Verse 1: Mongo]

I bring the raw (raw!) pure, hip-hop for sure

Not diluted, burst a brew kid and get zooted off the
draw

I smoke the mostest phat cess, yes y'all

and if Baby Got Back-a-lack, I guess it's time to get
sex, y'all

Do man's stuff to keep the pocket buff

but nothin' less though, catchin' wreck (Yo) from the set
(Go)

Imagine it as I get on with the flow

Step aside, bro, give me room for the elbow

As the rhyme flow you better act like you know

The Mo, more than a name, I came to settle the score

You can't ignore the slaughter man

Kicking down the borders and swim through piranha
infested waters(What?)

You could never find me behind the till at McD's

but try and jack these raps and I'll blind thee

I'm on a ride with my peeps by my side not behind me
residing on the north part of Itchy (Cor blimey)

Chorus

[Skinny Man]

I'm on the ride with my peeps by my side not behind of
me

Residing on the north side of Itchy's where ya findin'
me

[Mongo]

I'm on the ride with my peeps by my side not behind
me
Residing in the north side of Itchy, where ya find me

[Skinny Man]

I'm on the ride with my peeps by my side not behind of
me
Residing on the north side of Itchy's where ya find me

[Mongo]

I'm on the ride with my peeps by my side not behind of
me
Residin' in the north part of Itchy where ya find me

[Verse 2: Skinny Man]

My mummy always told me I'll glow up in dancehalls
like glitter balls
I'll never bite a rappers style, I eat 'em up and shit 'em
all
I'll go to far places where I'm slapping 'em, jackin 'em
Names and destinations just like (Shittenham and
Twattenham)
My Zone 6 child one-day Travelcard will be backin 'em
No guns in my clip but we will still be clappin 'em
It's not no A-train uptown
It is a Northern Line northbounder underground
London sound
(Get gettin' down) like Roots Manuva
My distinguished broken English helps my flow deliver
smoother
Whats the proof huh? I'll never quit
You said I'd fade away with British hip-hop, but you're
chattin fuckin shit
Get the fuck up off my back, like a monkey on the crack
a narrow cat in Itchy Town showin' me how he slacks
Stand clear o' the doors please, mind for the gap
When in reality it's stand clear for the whores and mind
the crack
Don't mind your back it's all up in my face
I look up on the shoulder and mad izm is the case

Chorus 2

[Mongo]

I'm on the ride with my peeps by my side not behind of
me
Residing on the north side of Itchy, where ya find me

[Skinny Man]

The ride with my peeps by my side not behind of me
Residing on the north side of Itchy

[Mongo]

I'm on the ride with my peeps by my side not behind of
me

Residing on the north side of Itchy, where ya find me

[Skinny Man]

I'm on the ride with my peeps by my side not behind of
me

Residing on the north side of Itchy

[Verse 3: Mongo]

Ready to blast to make the cash flow

Shit be tight like you sewed up your asshole

Even though you couldn't surpass Mo' you didn't even
show

so how you'a gon' pass Go, bro?

For when I did begin this line you be at the startin' point

I'm waitin' at the finish line, smokin' spinach time

I'm high off phat beats

My freaky speech will now reach into your mind

Of course my voice is coarse, I gotta get my point
across

(Do what, do what?) Join the dots

Blunt spots before my eyes, high rise estates

My advice: time waits for no man, so get them
thousands

in your hand quick as you feel you can

For real you can (What mate?) make a million

Chorus 3

[Skinny Man]

I'm on the ride with my peeps by my side not behind of
me

Residing on the north side of Itchy's where ya finding
me

[Mongo]

I'm on the ride with my peeps by my side not behind
me

Residing on the north side of Itchy, where ya find me

[SKinny Man]

I'm on the ride with my peeps by my side not behind of
me

Residing on the north side of Itchy's where ya findin'
me, the ride...

[Mongo]

I'm on the ride with my peeps by my side not behind of
me

Residing on the north side of Itchy

[Verse 4: Skinny Man]

So now somebody wan' a release with lyrics that hits
without no gimmicks

My styles are like the ocean, do you think you could
outswim it?

You test the Skunga P, I'll take the style out in a minute
and if you could not take me out then you should take
your mic and bin it

Call me wicked (Innit) Just be merciless when I be
burstin this

Freestyle off the top o' the dome with no rehearsin' this
Who be cursin' this?

Then you can tell it to my face

Happily battle anybody when the Skinny's on the case

Call me Chunky Branston, put all rappers in a pickle

Fifteen for an eighth, sellin' that much for a nickel

I'll crush your girl's blue boat and leave her 'nany
crippled

Now listen to the sounds of her beef curtain dribble
(Reaaaaw-raaaaaw) Well now my tings have shrivelled

Pissing gonorrhoea like a rhinoceros pizzle

In the drizzle, yes I'm rappin' in the rain

Pitter-patter on my brain, help me focus on the matter
all the same

Chorus 4

[Mongo]

I'm on the ride with my peeps by my side not behind of
me

Residing on the north side of Itchy, where ya finding
me

The ride with my peeps by my side not behind of me

Residing on the north side of Itchy, where ya find me

[Skinny Man]

I'm on the ride with my peeps by my side not behind of
me

Residing on the north side of Itchy's where ya finding
me

The ride, my peeps, beside me not behind of me

Residing in the north side of Itchaay...

[Outro: Skinny Man]

Yeah Itchy Town, Itchy Town

just to let you know how it's just going down

Itchy Town, they're sellin' bones and sellin' brown,
what?

In Itchy Town it's like a frontline at the Underground,
huh

In Itchy Taaaaaaaooown...

(Skinny mumbles shit till fade)
