i'm sinking down i feel like i could die

i'm falling off i don't know why

[chorus:]

i still believe it when you say

it's another perfect day

another perfect day

i still believe it when you say

it's another perfect day

another perfect day

so i might try to leave it all behind

i know tommorow's not so bright now

i'll say goodbye cause nothing good can last

(you wear and figured no where fast)

and today i don't know how too keep it all inside

but i guess i'll let it slide

[repeat chorus]

today i don't know why

i thought that it was real

but i guess it's no big deal

[repeat chorus]

i don't know how

i don't know how

to let it slide
