I wanna feel alive, like the streets of the city.  
I wanna run, run, run, 'til my lungs cave in.  
I'm gonna keep my head up and make believe,  
Make believe that I'm the only,  
The only one underneath this sun.  
Hey kid, you're only young once, so do what you love.

Say anything, 'cause I'm gonna forget your way of  
thinking,  
Always putting me down.  
But I'm always wrong these days.  
I'm gonna run, run, run,  
Don't wanna hear what you've got to say.

Don't sleep 'til the music stops,  
And let's live like there's no tomorrow.  
Stop making things so complicated.  
You're gonna take the easy way out.

I'm gonna keep my head up and make believe,  
Make believe that I'm the only,  
The only one underneath this sun.  
Hey kid, you're only young once, so do what you love.

Say anything, 'cause I'm gonna forget your way of  
thinking,  
Always putting me down.  
But I'm always wrong these days.  
I'm gonna run, run, run,  
Don't wanna hear what you've got to say.

When push comes to shove,  
Don't leave your heart at the door,  
Your heart at the door.  
When push comes to shove,  
Don't leave your heart at the door,  
Your heart at the door.

Say anything, 'cause I'm gonna forget your way of  
thinking,  
Always putting me down.

But I'm always wrong these days.  
I'm gonna run, run, run,  
Don't wanna hear what you've got to say.

Whoa, whoa, whoa
