If I tried, would you still call me son?  
If I tried, would you call me at all?  
If I say that I'll go, regardless, of what you want me to  
do  
I'm better off without. I'm better off without you.  
If I change my mind, it won't be soon enough for you,  
but I'm not you...  
I'll try to compromise for you to see  
that theres so many other things for me to find out.  
Run myself to the ground.  
Would you please forgive me if I found my way back  
home?  
Everything I see  
Everything I do  
Everywhere I've been,  
These mean nothing to you?
