What became of everyone

I used to know?

Where did all

Respectable convictions go?

Words will map the story

That your actions show

What do I know?

I'm sure you can't help

But remembering

I thought that you'd be one

Not to forget

Remembering's not helping you yet

Say goodnight

Mean goodbye

I know you think my life

Will stop when you're away

Maybe I can see you on

Holidays

World's away

I've never forgotten all our yesterdays

Lucky if we're speaking on the

Holidays

The evidence presents itself

Accusingly

You're actions speaking everything

You think of me

Now that I am faced with opportunity

You're not remembering

I'm not asking you to anyway

And even if you ever could cave in

There would be no where to begin

Say goodnight

Mean goodbye

I know you think my life will stop

When you're away

Maybe I can see you on

Holidays

World's away

I've never forgotten

All our yesterdays

Lucky if we're speaking on

Holidays

Holidays

Say goodnight

Mean goodbye

I know you think my life

Will stop when you're away

Lucky if we're spaking on

Holidays

Holidays
