Can you sleep as the sound hits your ears?  
One at a time,  
An unspoken balance here  
Unabridged for so many years  
That I should stare at receivers  
To receive her  
Isn't fair

Don't worry, I'll catch you  
Don't worry, I'll catch you  
Don't ever worry

Your arms in mine,  
Anytime,  
I wouldn't trade anything  
You're still my everything  
To my surprise,  
Before my eyes,  
You arrive

Don't worry, I'll catch you  
Don't worry, I'll catch you  
Don't ever worry

Still breaking old habits, habits,  
You pulled the wool over me,  
Now I can see everything,  
Everything,  
Remembering,  
Jinx-removing

Don't worry, I'll catch you  
Don't worry, I'll catch you  
Don't ever worry

No need for reminding,  
You're still all that matters to me
