Come tomorrow I'll be on my way back home.  
In the morning call from a roadside telephone.

One night doesn't mean the rest of my life.  
If I go it's not impossible  
Possible is probably wrong.  
So, let go  
Because I'm afraid to try  
Keep my hands by my side.

You won't come back  
I hope some day you'll understand  
I wanna try and make it right  
Don't know if I can.

Last night everything was right  
The rain was gone.  
One summer night's the only time we've known.  
So, shut your eyes  
When you wake up I'll be gone.  
When you wake up I'll be gone.

One night doesn't mean the rest of my life.  
If I go it's not impossible  
Possible is probably wrong.  
So, let go  
Because I'm afraid to try
