You've got some nerve I never knew,

What with the world we gave away in front of you.

I see it all Much clearer now. You're just a phase I've
gotten over anyhow.

It's over, I'm not giving in again. We're loyal like
brothers, Just

us versus all the others. You the one for You the one for
me?

I trusted misleading Promises worth repeating.

How could you do this to me? Red letter day that I
learned

I'm sure you'll get what you deserve. I see it all Much
clearer sinceâ€¦

Far past the point of this. It's over. We're loyal like
brothers,

Just us versus all the others. You the one for You the
one for me?

I trusted misleading Promises worth repeating.

How could you do this? How could you do this to me?

â€¦ And if it's a lie I don't want to be the one who
signed.

I'm not the one who falls down, It's over now.

Over now. If you want to tryâ€¦ Try to forget it. I'll say it's
over,

I'm gone. We're loyal like brothers, Just us versus all
the others. You the one for

You the one for me? I trusted misleading

Promises worth repeating. How could you do this?

How could you do this? How could you do this to me
