It's certainly true,
there's better things to do
And though I don't know everything
I wouldn't tell you anything if I did.
The last time I saw you act like this
We were kids.
The last time I saw you act like this
We were kids.
What am I to do?
My heart goes out to you.
And though I don't know everything
I wouldn't tell you anything if I did.
Over reacting, over again...
Just between friends.
What am I to do?
I won't come between you two.
(What was I to do?)
I gave it.
(What was I to say?)
I gave it all I could.
(How was I to know?)

I'll bet you never find another friend like me
