Baby I'm standing alone
Wasurenu Rainy day
Anata no kage wo otte
And It's oversuna no you ni

I sigh every night
I scream like a child & cried
Shizuka ni tadayou Sorrow
Please Please god tsumi wo yurushite

I don't need to hide no more
Aoku hikaru hou e nagareteku
Just keep going on

You've got the chance now
You've got the power
Kidzuite so true yourself
I show you my life now
I show you my love now
I show you everything yeah yeah
Baby don't be afraid

Baby I'm lying alone
Mezamenudrowning days
Owari no naimy misery
Now I know that furimukanai

Life goes round & round
Just silence surrounding me
Moetsukitelike a phoenix
And I'm falling ubawarete iku

I don't need to lie any more
Yureru nami no you ni
Ikireba ii Just keep going on

You'd better change now
You'd better catch now
Kawaranai so be yourself
I'll show you my strength now
I'll show you my love now

I'll show you everything yeah yeah
Baby don't be afraid

You've got the chance now
You've got the power
Kidzuite so true yourself
I'll show you my life now
I show you my love now
I'll show you everything yeah yeah

You'd better change now
You'd better catch now
Kawaranai so be yourself
I'll show you my strength now
I'll show you my love now
I'll show you everything yeah yeah
Baby don't be afraid
