Uh, I'm your fire  
Do you think you're gonna get me?  
You take me higher  
Do you think you're gonna stop me?  
Now that you got it  
What you gonna do about it?  
Now that you got it  
What you gonna do about it?

Uh, I'm your liar  
Get a little bit stupid sometimes  
You're my desire  
Get a little bit jealous sometimes  
Now that you got it  
What you gonna do about it?  
Now that you got it  
What you gonna do about it?

Honey lookin' good  
From your head  
To your feet  
Love me with your heart  
Not your tip  
Not your tongue

So, welcome to the masquerade, ladies  
So, welcome to the masquerade, ladles  
So, welcome to the masquerade, ladies  
So, welcome to the masquerade, ladies

Uh I'm your fire  
Do you think you gonna get me?  
You take me higher  
Do you think you gonna stop me?  
Now that you got it  
What you gonna do about it?  
Now that you got it  
What you gonna do about it?

So, welcome to the masquerade, ladies  
So, welcome to the masquerade, ladles

So, welcome to the masquerade, ladies  
So, welcome to the masquerade, ladies
