Hey, mister
Don't you remember?
At that time you touched my heart so bad
Oh baby, baby, you're so stupid
You shouldn't make me bad
I think you're just afraid of me

Oh baby, in my opinion love is life
I don't want to throw or been thrown away
If we never knew sorrow
How could we know what is the happiness

But my love was true
Maybe I just want to believe
Is every guy the same?
I'm sorry, I know you just wanted to taste my skin
To taste my skin

Hey, doctor
I think you regret
Live with your sins how those it doesn't make me sad
Hey baby, baby, you hurt my pride
No matter how much you cry it won't make me sad

Oh baby, in my opinion love is life
I don't want to throw or been thrown away
If we never knew sorrow
How could we know what is the happiness

But my love was true
Maybe I just want to believe
Is every guy the same?
I'm sorry, I know you just wanted to taste my skin
To taste my skin

But my love was true
Maybe I just want to believe
Is every guy the same?
I'm sorry, I know you just wanted to taste my skin
To taste my skin

But my love was true
Maybe I just want to believe
Is every guy the same?
I'm sorry, I know you just wanted to taste my skin
To taste my skin
