My reality is something weird
My unfriendly smile on my way
Nothing new this wearisome day

This world is full of narcissist
The girls dressed are just a put-on
Oops! I'm all thumbs, I'm not like you

Everybody's raping me. everybody's lying to me
Everybody's looking at me. everybody's laughing at me
So what! don't care what people say.

I'm going my way. I believe in my way
I'm better than you guys
I'm living for my sake, not for their sake, yeah!
I'm finding my way. I'm finding my love
I'm not stupid like you
All that I need is, I only need is selfless love
All I don't need is, I only need is selfless love

They think I'm a lucky girl
But I'm just doing what I want
Hey everybody, they're jealousy about me

You guys are wrong, be truth to yourself
Throw your guns & weapons right now
Let's enjoy your beautiful life with me

Everybody hates me. everybody's waiting for me
Everybody's hurting at me. everybody's hunting for me
So what! please leave me alone!

I'm going my way. I believe in my way
I'm better than you guys.
I'm living for my sake, not for their sake, yeah!
I'm finding my way, I'm finding my love
I'm not cheap like you guys
All that I need is, I only need is selfless love
All I don't need is, I only need is selfless love

I'm going my way. I believe in my way

I'm better than you guys
I'm living for my sake, not for their sake, yeah!
I'm finding my way. I'm finding my love
I'm not stupid like you
All that I need is, I only need is selfless love
All I don't need is, I only need is selfless love
