We were strangers
Starting out on a journey
Never dreaming what we'd have to go through
Now here we are
And I'm suddenly standing
At the beginning with you

No one told me I was going to find you
Unexpected, what you did to my heart
When I lost hope
You were there to remind me
This is the start

Life is a road, and I want to keep going
Love is a river I want to keep flowing
Life is a road, now and forever
Wonderful journey
I'll be there when the world stops turning
I'll be there when the storm is through
At the end I want to be standing at the beginning
With you

We were strangers
On a crazy adventure
Never dreaming how are dreams could come true
Now here we stand
Unafraid of the future
At the beginning with you

And life is a road, and I want to keep going
Love is a river I want to keep flowing
Life is a road, now and forever
Wonderful journey
I'll be there when the world stops turning
I'll be there when the storm is through
At the end I want to be standing at the beginning
With you

I knew there was somebody somewhere
Like me alone in the dark
Now I know my dream will live on
I've been waiting so long

Nothing's going to tear us apart

And life is a road and I want to going
Love is a river I want to keep flowing
Life is a road, now and forever
Wonderful journey
I'll be there when the world stops turning
I'll be there when the storm is through
In the end I want to be standing at the beginning
With you

And life is a road, and I want to keep going
Love is a river I want to keep going on
Starting out on a journey
Life is a road and I want to keep going
Love is a river I want to keep flowing
In the end I want to be standing at the beginning
With you
