I could use that red soled shoes with this tight jeans,  
see what i mean?  
Or maybe that long dress made to impress  
Deserve that too

Eyeing for that diamond ring for my right hand  
Should understand  
A one of a kind watch something top-notch  
Deserve that too  
I do  
Make believe

chorus:  
Lalalalalala what do i miss?  
Lalalalalala beside that kiss  
All those fancy things  
fail to make my heart sing  
Can't buy me happinnes

An improved me, maybe lasered and botoxed  
Let the world shocked  
These lines in my face will be erased  
Deserve that too  
Changing for another shrink cause mine is  
bored minutes ago  
I need a healer to be better  
Deserve that to  
I do  
Make believe

repeat chorus

Filling all rooms in this empty heart  
But all the glitter all those work of art  
I deseve that too

repeat chorus

The less I posses could it be the answer  
to my bitternes?  
Until it's true you should try to

Walk in my shoes  
My red soled shoes
