I'm a big girl I don't live
In a fairytale as I can tell
I've been deceived that I've grieved
Sadly too many times before
This beating heart wants to give
Without certainty $\tilde{\text{A}}\text{ç}\hat{\text{a}}, \neg\hat{\text{A}}!$ Without a plan $\tilde{\text{A}}\text{ç}\hat{\text{a}}, \neg\text{E}\text{œB}'$
 $\tilde{\text{A}}\text{ç}\hat{\text{a}}, \neg\hat{\text{A}}!$
Never before I believed

Till there was you
Love's just an idea
Don't you know that I've been waiting for
(Waiting for no one but you) No one but you
Don't you know that, Never been so sure
(Never been $\tilde{\text{A}}\text{ç}\hat{\text{a}}, \neg\hat{\text{A}}!$ Never been so sure)

You know that it's true
Ain't nobody else I am crazy, for you
It's all about you, Everybody knows that I'm crazy, for
you
You know that it's true
Wanna show the world I'd go crazy, for you

It's all about you,
Everything you do makes me crazy for you, for you
Sometimes I might think too tough
It's only a phase of feeling a waste
Can't say I wont go through this stuff
Until you say you want do the same
All I re-do is enough, to prove what we feel

Is alive and real

Something I've been dreaming of

Till there was you, it's Just an idea

Don't you know that I've been waiting for
(Waiting for no one but you) No one but you
Don't you know that, never been so sure
(Never been $\tilde{\text{A}}\text{ç}\hat{\text{a}}, \neg\hat{\text{A}}!$ Never been so sure)

You know that it's true
Ain't nobody else I am crazy, for you
It's all about you, Everybody knows that I'm crazy, for
you

You know that it's true
Wanna show the world I'd go crazy, for you
It's all about you, Everything you do makes me crazy,
for you, for you

Know that it's true
It's all about you
You make me going crazy (You make me going crazy
yeah)

Know that it's true
It's all about you
You make me going crazy (You know you make me
going Crazy)

You know that it's true
