Oh no here we go
Another itch I want to scratch
Though now I should know
There's a flaw and there's a catch

But maybe just one time
It can't hurt I can try
And I've made up my mind
With a goodbye

Oh no I should go
It's not too late I'm not attached
Once more I should know
I can't let go I'll miss you much

But maybe one last time
I know it's a lie
Should we give you and I
Another try

Your love is my addiction
The pleasure and pain bring me back to you
Our love is my addiction
One touch and here I am back with you

Oh no not again
Another round another heartache
And now I pretend
I know too much to make mistakes

This will be the last time
I wake up in your arms
There won't be one last try
Of you and I

Your love is my addiction
The pleasure and pain bring me back to you
Our love is my addiction
One touch and here I am back with you

Your love
