I don't wanna work today
Maybe i just wanna stay
Just take it easy cause there's no stress
I know it's not an awful crime
Something special in my mind
Nothing's gonna cause me distress

I text my baby on his phone
Try to get his sexy body home
That's the way i wanna spend my day
Got to find an alibi
Coz i don't wanna waste my time
I don't wanna feel distress

It's not i'm lazy
I think i'm just crazy
Not that i'm lazy
Think i'm just crazy
It's not i'm lazy
I think i'm just crazy
Not that i'm lazy
Ooh just crazy

No need to fight against this feeling
Because the life is not depressing

I don't wanna work today
I don't wanna work today

No stress
Oh oh
