Wherever I go
Whatever I see
Over oceans unknown
You are always with me

Pure as the water
We float on this wave
On the breath of an angel
I'll fly away

At the ends of your fingers
I follow tonight
Caught in the lightning
Of a thousand horizons

We dance for no reason
You hold on so tight
Lost in the feeling
Of a wonderful ride

Di semua bahasa
Semua warna
Kupahami kata
Yang kau ukir indah

Nyani beku angin
Cairkan sengat surya
Di relung hatiku
Bernyanyi bidadari

I can hear every word
I see everywhere
Take me into your world
You can answer my prayers

Rivers of hours
Where time is so rare
Hold me forever
Say you'll always be there

Wherever I go
Whatever I see

Over oceans unknown
You are always with me

Pure as the water
We float on this wave
On the breath of an angel
I'll fly away
