Yo Yo I got some pencils in my desk but I don't know if
no1 knows it so before they throw me inside my
sharpener and close it I'm gonna clean it.I'll take u back
2 2003 before I ever had 2 pencils or maybe even 3.I
was a kid maybe I was 11 or 12 years when first ever
started shift'n my gears,my teacher gave me a little
blue ink pen and I said this aint the same as a pencil
little Mrs.Ken.

I said I'm sorry pencil I never meant 2 break u, I never
meant 2 make u breake but tonight I'm tak'n out the
tape!!!

I said I'm sorry pencil I never meant 2 break u, I never
meant 2 make u breake but tonight I'm tak'n out the
tape!!!
