

## Tantric "Desert Me"

My patience has run thin  
No longer tolerant  
Tired of being used  
By everyone of you

Tell me another lie  
So you can feel the pain inside

Well, it's time for me to do it to you  
What you have always done to me  
Desert me, you all desert me  
Desert me, you won't desert me anymore

What do you have to say for yourself?  
Now you're alone there's no one else  
Do you look back onto your life  
Wishing there was another time?

Tell me another lie  
So you can feel the pain inside

Well, it's time for me to do it to you  
What you have always done to me  
Desert me, you all desert me  
Desert me, you won't desert me anymore

Don't move away from me  
I'm not feeling your tears  
And if you should go away  
You won't have the strength to stay away

Well, it's time for me to do it to you  
What you have always done to me  
Desert me, you all desert me  
Desert me, you won't desert me anymore
