Feel me, why are you hiding?
Why are you siding?
What happened to my friend?
I see your back now is turned to
Me as I ask you, 'cuz I don't understand
I don't understand, I don't under

(Hey now)
Never have I wanted to try
(Hey now)
Look into my face as you lie
(Hey now)
Tell me why I'm willing to die for this again

(Hey now)
Thinking that the worst is behind
(Hey now)
Turn around but only to find
(Hey now)
Tell me why I'm ready to die for this again

Hey now, I'll bear this for you
So they adore you and get your paper badge
Hear me, but you don't listen
Or you don't want to
You're just saving yourself, you're just saving yourself
You're just saving your

(Hey now)
Never have I wanted to try
(Hey now)
Look into my face as you lie
(Hey now)
Tell me why I'm willing to die for this again

Hey now, thinking that the worst is behind
(Hey now)
Turn around but only to find
(Hey now)
Tell me why I'm ready to die for this again

Why don't you make up your mind?

Why don't you make up your mind?
Who do you want me to be?
Who do you want me to be?

I can't believe what you said
I can't believe what you said
Why are you messing with me?
Why are you messing with me?

I have been let down by lies that have affected me
(Why are you messing with me?)
(Why are you messing with me?)
(Why are you messing with me?)
(Why are you messing with me?)
(Why are you messing with me?)
(Why are you messing with me?)
(Why are you messing with me?)
(Why are you messing with me?)

Never have I wanted to try
Look into my face and you lie
Tell me, why I'm willing to die for this again?

Thinking that the worst is behind
Turn around but only to find
Tell me, why I'm ready to die for this again

(Hey now)
Never have I wanted to try
(Hey now)
Look into my face and you lie
(Hey now)
Tell me why I'm willing to die for this again

Thinking that the worst is behind
(Hey now)
Turn around but only to find
