I've been waiting here for so long
Trying to find another place where I belong
Well what you want to be
But you could never see
Cause you're makin' mistakes you really take
And there's nothin' left for me

(On and on, on and on again)
I've been waiting all alone
(On and on, on and on again)
Try to find a place that's home
(On and on, on and on again)
I made out for you to see
(On and on, on and on again)
Is this what you really need?

Why don't you make mistakes like I do?
Why don't you make mistakes like I do?
I
I don't wanna die

I've been doing this all by myself
Tryin' to put all of my problems on the shelf
But what I have to see
Is this could never be
So I'm makin' my way through everyday

And I'm takin' what I need

(On and on, on and on again)
I've been waiting all alone
(On and on, on and on again)
Try to find a place that's home
(On and on, on and on again)
I made out for you to see
(On and on, on and on again)
Is this what you really need?

Why don't you make mistakes like I do?
Why don't you make mistakes like I do?
I
I don't wanna die

(My precious stone)
(You don't deserve)
(Your perfect world)
(Has gone blind)

Why don't you make mistakes like I do?
Why don't you make mistakes like I do?
I
I don't wanna die

Why don't you make mistakes like I do?
Why don't you make mistakes like I do?
I
I don't wanna die
